Information

Common information

MFR is a private and independent international rating agency specialized in sustainable and inclusive finance. Our mission is to provide the inclusive finance industry with independent, high-quality ratings and information services, aiming at enhancing transparency, facilitating investments, and promoting best practices worldwide. Headquartered in Italy, MFR operates through a network of regional and country offices (Ecuador, Mexico, Bolivia, Peru, Kenya, Kyrgyz Republic, India) across 4 continents. MFR is organized in different units. MFR offers data and benchmarking services to the financial inclusion investors through its specialized unit **ATLAS**. ATLAS is a data platform centralizing financial and social data of financial institutions from 130 countries in Latin America, Africa and Asia, so investors can identify opportunities of investment in financial institutions, benchmark them to peers, monitor their trends and aggregate performance at portfolio level. The services provided by the ATLAS unit are technical and include quantitative data, databases, and aggregate reports of financial and social ratios of financial institutions operating in the financial inclusion sector.

Qualification requirements

- University degree that involves courses in accounting and banking (complete or ongoing).
- Strong command of Microsoft Excel; previous experience working with Excel-based databases.
- Attention to detail, focused on instructions.
- Good team working skills.
- Good time-management skills and multitasking.
- Willingness and capacity to work independently and proactivity
- Functional English.

Duties

MFR is looking for a **ATLAS Junior Analyst**, who has a keen interest in analysis of financial performance of credit institutions and management of databases. Junior Analyst will be joining a dynamic and international team of inclusive finance specialists in the **Bishkek office, Kyrgyz Republic**. The position will include activities mostly regarding **ATLAS Data Platform**. The work will be conducted as part of the ATLAS team: under the guidance and supervision of the Platform coordinator, the Innovation Director and the Technical Director. The official language at MFR is English. The main responsibilities are the following:

- Reclassification of Financial Statements of Financial Institutions operating in the Financial Inclusion sector globally, from publicly available sources, to the common ATLAS database.
- Search of Financial Statements of Financial Institutions operating in the Financial Inclusion sector available from public sources in specific countries.
- Processing of financial, operational and social data provided by organizations partnering with ATLAS, into common ATLAS database standards.
- Review of the quality control messages resulting from the data processed, correction and improvement of the data uploaded to ATLAS.
- Use of ATLAS online software, excel tools and other systems to manage the data from source to the dashboards available to investors subscribing to ATLAS.

Conditions

The position requires full time availability for a duration of 12 months – renewable upon agreement of both sides.

Please send your CV and Cover Letter (in English) by October 31st, 2026 to : recruitment.mfr.12@gmail.com and please put "**Application for Junior Analyst (ATLAS Platform) - Bishkek**" in the subject of the email.
