Information

Common information

"M-Vector" is a leading research agency with 20 years of successful experience with socially meaningful projects that contribute to the social and economic development of Central Asia.

Having a rich experience, "M-Vector" aims to expand the geography of research. Our projects cover the entire Central Asian region, and our full potential is still to be unleashed.

Due to the growing number of research projects, we are currently looking for an analyst to join our team.

If you are a fan of sociology and seek professional development in this field, you are welcome to apply.

Qualification requirements

- Basic knowledge of statistical science and sociological research.
- Higher education.
- Being a confident user of MS Office (Excel, Word, PowerPoint).
- Fluency in Russian and English.
- Strive for professional development and willingness to share knowledge with the team.
- Multitasking skills.

Duties

- Design technical proposals for clients.
- Prepare project schedules.
- Design and test research questionnaires.
- Process databases, annexes and charts.
- Analyze, reconcile and format the data obtained.
- Prepare final analytical project reports.
- Develop recommendations and prepare presentations of project results for clients.
- Aspiration to develop and improve professional and personal qualities.

Conditions

- Becoming a part of one of the leading research and consulting companies in Central Asia.

- Participation in versatile and meaningful projects.
- Competitive salary, performance bonuses.
- Paid probationary period and mentoring.
- Regular in-house training.
- Opportunity to grow to a management position.
- New modern office.
- Positive work environment in a united team.
