Information

Common information

"M-Vector" is a leading research agency with over 24 years of successful sociological and marketing research experience in Central Asia.

Developing at a fast pace, "M-Vector" aims to further expand the geography and scope of research. Our projects cover the entire Central Asian region, and our full potential is still to be unleashed.

Due to the growing number of versatile research projects, we are currently looking for an analyst to join our team.

If you are a fan of marketing and seek professional development in this field, you are welcome to apply.

Qualification requirements

Requirements:

- Basic knowledge of statistical science, marketing and research.
- Higher education.
- Being a confident user of MS Office (Excel, Word, PowerPoint).
- Fluency in Russian and English.
- Strive for professional development and career growth.
- Multitasking skills.
- Strong inter-personal skills.
- Whole-team approach.

Duties

Responsibilities as part of research project supervision and implementation:

- Design commercial proposals for clients, communicate with clients.
- Prepare project schedules.
- Design and test research questionnaires.
- Process databases, annexes and charts.
- Analyze, reconcile and format the data obtained.
- Prepare final project analytical reports.

- Develop recommendations and prepare presentations of project results for clients.

Conditions

- Becoming a part of one of the leading research and consulting companies in Central Asia.
- Participation in versatile and engaging projects.
- Competitive salary, performance bonuses.
- Paid probationary period and mentoring.
- Regular in-house training.
- Opportunity to grow to a management position.
- New modern office.
- Positive work environment in a united team.

Fulfill yourself in the company interested in your success!
