Информация

Общие сведения

Silk Road International School (SRIS) is an international school in Bishkek, Kyrgyzstan, providing a supportive and multicultural learning environment.

We are looking for a qualified and motivated **ICT / Computer Science Teacher** to join our team for the **2026/2027 academic year**.

The successful candidate will be responsible for delivering engaging and practical ICT/Computer Science lessons, developing students' digital literacy, computational thinking, problem-solving, and technology skills, and supporting their academic progress.

The position is open to **qualified local candidates and resident foreigners**.

Требования

- Teaching in English language
- A degree in Computer Science or a related field
- Experience in Cambridge Computer Science subject 0468 or ICT
- Robotics

Обязанности

- Plan and deliver engaging ICT/computer lessons for primary-level students.
- Teach basic computer skills, digital literacy, typing, internet safety, and appropriate use of technology.
- Prepare lesson plans, teaching materials, presentations, and practical activities.

- Introduce students to software applications such as Microsoft Word, PowerPoint, Excel, and educational platforms.
- Teach basic coding, programming concepts, and problem-solving skills appropriate to students' age and ability.
- Assess students' learning through assignments, practical activities, tests, and projects.
- Monitor and record students' academic progress and provide constructive feedback.
- Differentiate instruction to meet the needs of students with different learning abilities.
- Maintain a safe, positive, and inclusive computer-learning environment.
- Supervise students during practical computer activities and ensure responsible use of ICT equipment.
- Maintain and organize computer laboratory equipment and report technical issues when necessary.
- Integrate technology into other subjects to support teaching and learning.
- Communicate effectively with parents, colleagues, and school management regarding students' progress and development.
- Participate in staff meetings, school events, professional development, and extracurricular activities.
- Promote responsible digital citizenship, online safety, privacy, and ethical use of technology.

Условия

- Benefits of Working at Silk Road International School
- **5-day working week** with a healthy work-life balance.
- **International working environment** with colleagues and students from diverse cultural backgrounds.
- **Career growth opportunities** and opportunities for professional development.
- **Professional development and training** to support your growth as an educator.
- **Supportive and collaborative school community.**
- **Opportunity to work at one of the leading international schools in Bishkek.**
- **Modern learning environment** with access to innovative teaching practices and resources.
- **Opportunity to make a meaningful impact** on students' academic and personal development.
- **A welcoming international community** and the opportunity to experience life and culture in Kyrgyzstan.
